

WINE

Our three Pirate Buddhas, representing; Tolerance, Freedom and Respect, are a female, a transsexual and a male, showing the diversity of human sexuality. They are of different colours representing many spiritual beliefs. They are sitting at a bar, suggesting one of life's many possible journeys in our individual struggles towards peace and love. They are meditating on the White Light of Consciousness and the Buddha that each of us once was, when we were born, and could be again.
